Discuss your capabilities and any concerns during the course entry interview.

Delivery arrangements

OCT uses a staged rolling intake. Complete the initial-stage units before merging into ongoing classes. Units run subject to enrolments and commencements and may be completed in any order. Each student receives an individual training and assessment plan outlining their timetable.

REQUIRED TEXTBOOK

Medium/Heavy Duty Diesel Engines by Gus Wright (Jones and Bartlett Learning / CDX Automotive).

PRACTICAL CLASSES

OCT provides printed learning materials.
Bring your own PPE and safety boots to every class.

01 Student Support System

Student support is available throughout your study. Refer to the Student Handbook for available services.

02 Assessment System

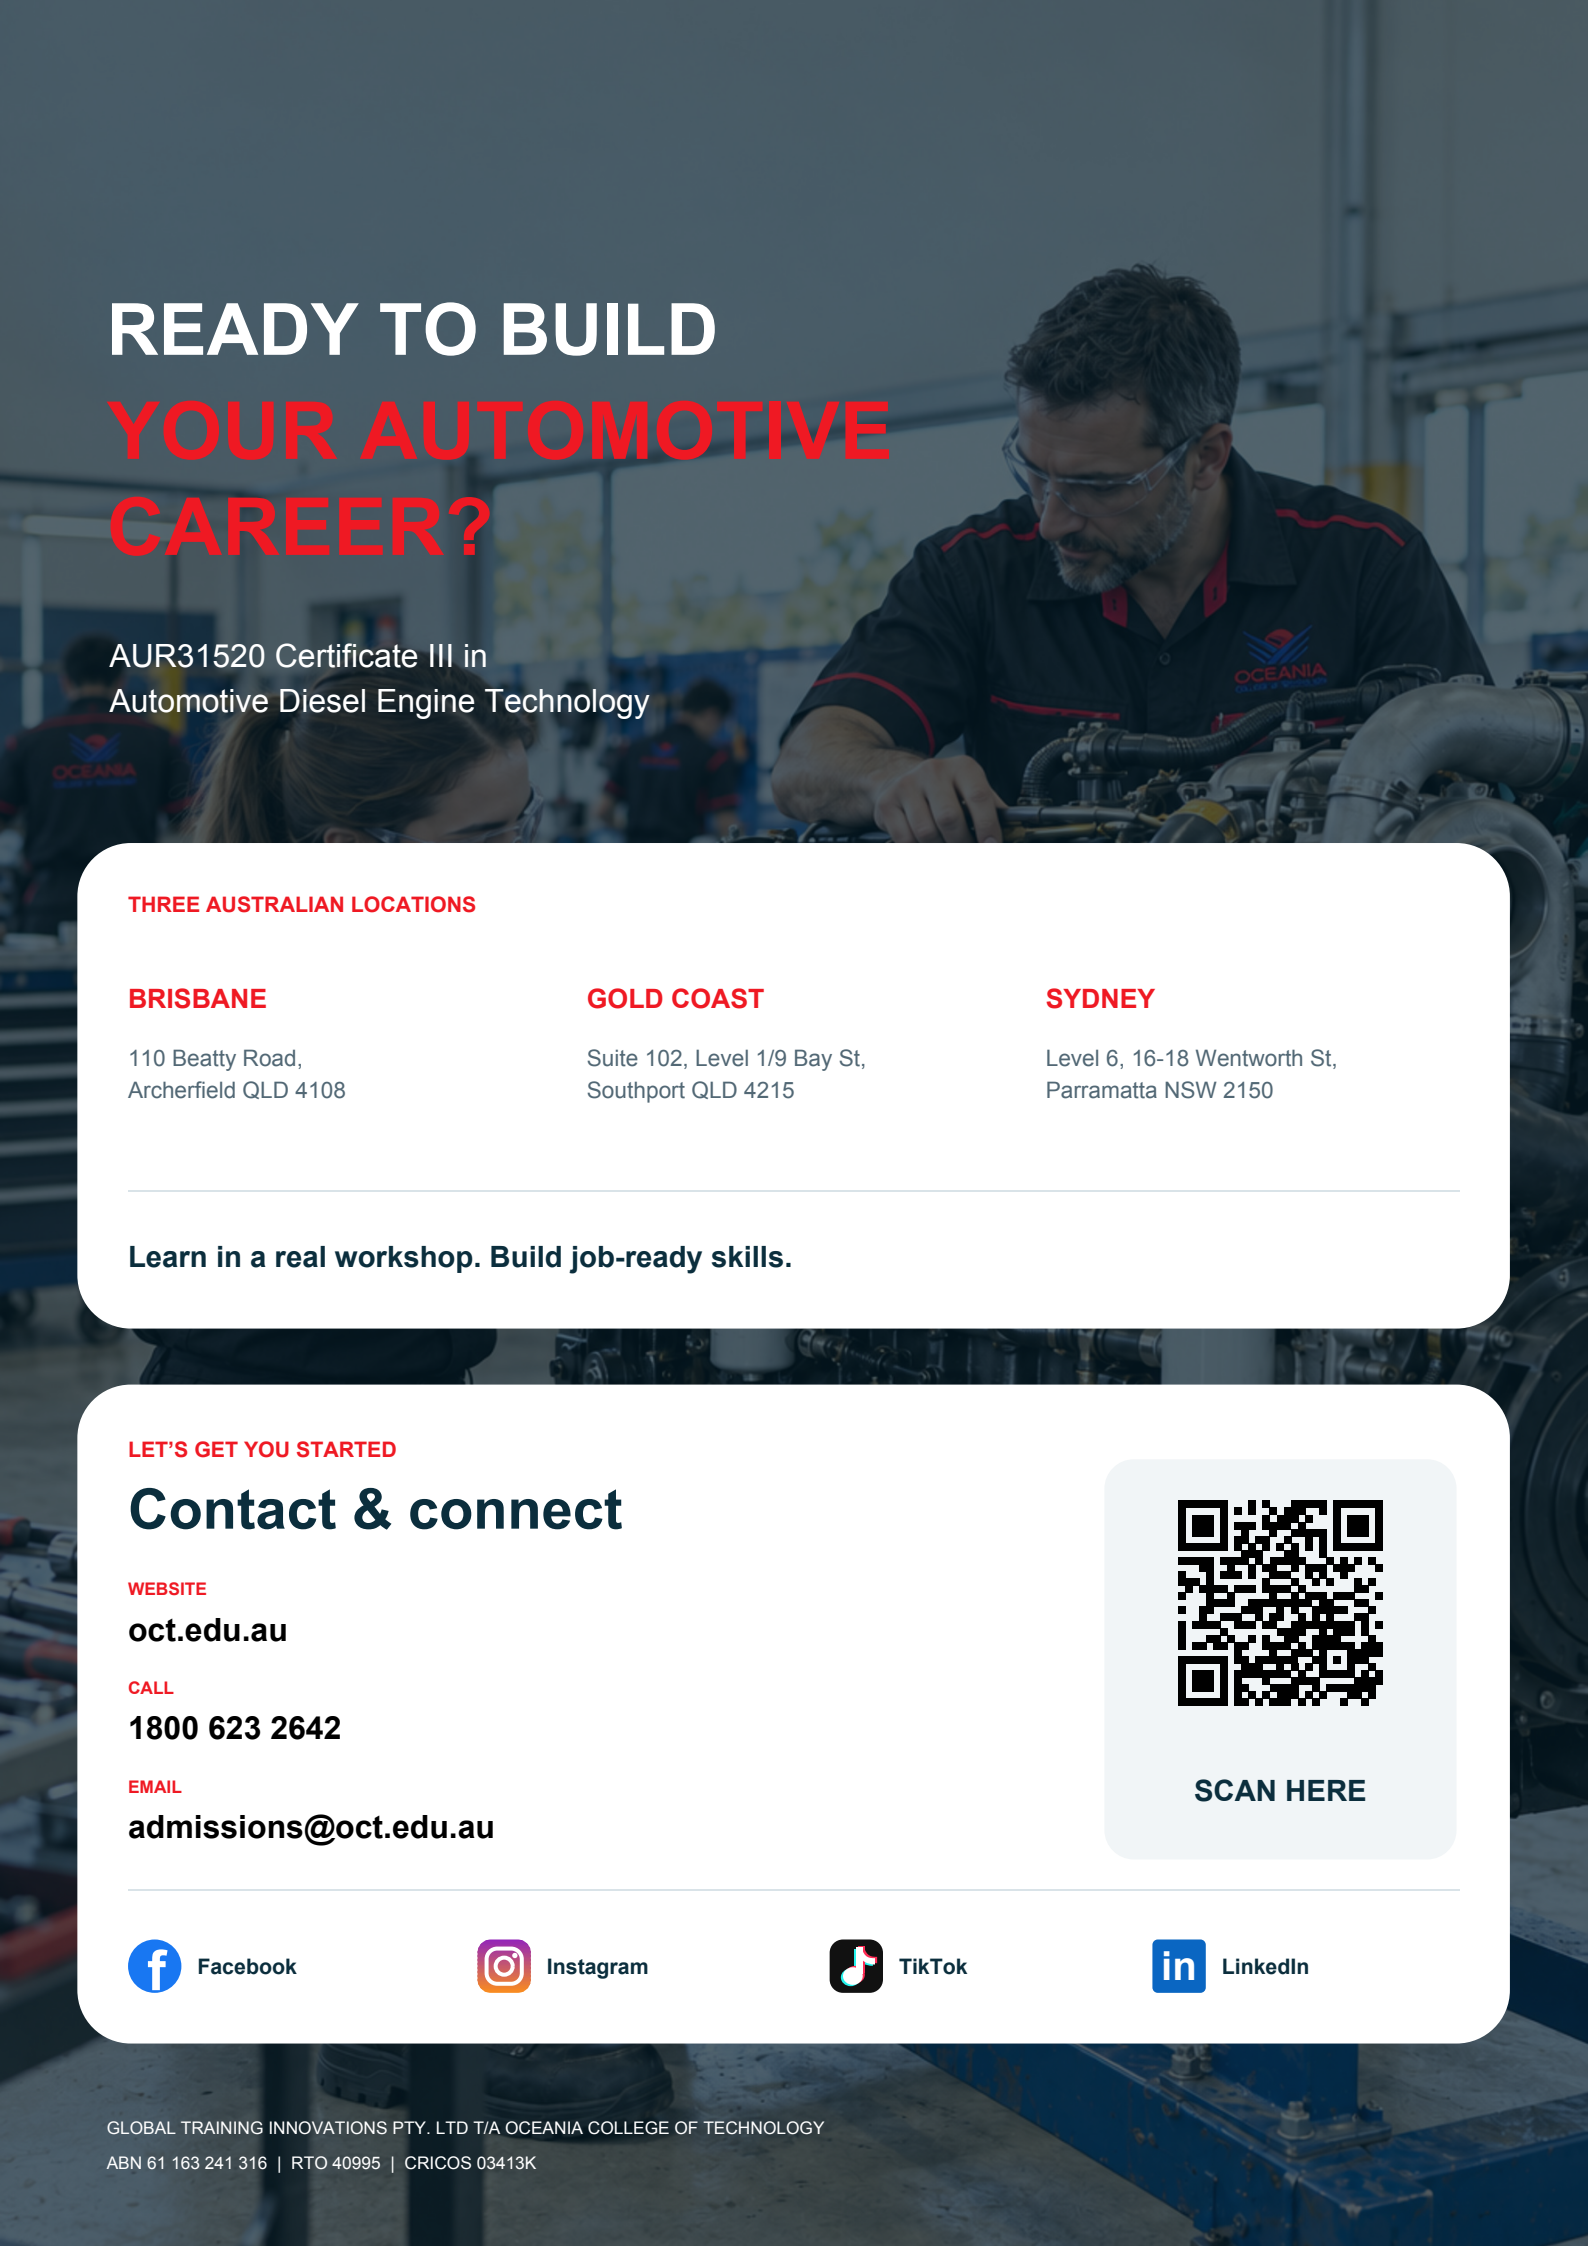

Units are assessed individually through written assessment, verbal questioning and practical demonstrations observed by the assessor.

03 RPL + Credit Transfer

Prior learning and credit transfer may reduce course duration. All students may apply for RPL. Refer to the RPL and CT policy in the Student Handbook or website.

04 Assessment Appeals

Appeal assessment decisions through the Complaints and Appeals Policy in the Student Handbook or website. Complaints and appeals follow the published procedure.
