JOB OUTCOME **Body Shop Manager**

TRAINING PACKAGE

Units of competency

10 units: 6 core units + 4 elective units.

UNIT CODE	UNIT TITLE	TYPE
AURAEA003	Monitor environmental and sustainability best practice in an automotive workplace	CORE
AURAMA005	Manage complex customer issues in an automotive workplace	CORE
AURANN011	Estimate and quote automotive body repairs	CORE
AURVNA005	Inspect quality of vehicle repair work	CORE
AURVTN132	Inspect vehicle damage and determine repair procedures	CORE
AURVTN135	Apply original equipment manufacturer repair procedures during vehicle repairs	CORE
AURAMA006	Contribute to planning and implementing business improvement in an automotive workplace	ELECTIVE
AURVNA003	Review vehicle repair quotations	ELECTIVE
AURVTN005	Remove and replace adhesive attached components on vehicles	ELECTIVE
AURVTA002	Remove and replace vehicle supplementary restraint systems	ELECTIVE

How electives are selected

Elective units must be relevant to the work environment and qualification, maintain AQF alignment, avoid duplicating another unit outcome, and contribute to a valid vocational outcome.

ADMISSIONS

Entry requirements

Qualification entry requirement: Complete one of the following qualifications or demonstrate equivalent competency:
AUR32120 Certificate III in Automotive Body Repair Technology;
AUR32220 Certificate III in Automotive Glazing Technology;
AUR32320 Certificate III in Automotive and Marine Trimming Technology; or
AUR32420 Certificate III in Automotive Refinishing Technology.

International students must:

- Be at least 18 years of age.
- Participate in a course entry interview (pre-enrolment review) to assess suitability and support needs.
- Undertake OCT's ACSF language, literacy and numeracy assessment.

English language requirements

Achieve the required test score within the last 3 years, before enrolment.

TEST TYPE	STANDARD	10+ WEEKS ELICOS	20+ WEEKS ELICOS
IELTS	6.0	5.5	5.0
TOEFL internet-based	64	46	35
Cambridge English Advanced	169	162	154
PTE Academic	50	42	36
Occupational English Test	B each component	B each component	B each component

ELICOS: English Language Intensive Courses for Overseas Students.

English test evidence exemptions

- You are a citizen and hold a passport from the UK, USA, Canada, New Zealand or Republic of Ireland.
- You are an eligible Foreign Affairs or Defence sponsored student, or a Secondary Exchange student (AASES).
- Your principal course is a registered school course, standalone ELICOS, a course delivered in a language other than English, or registered postgraduate research.
- You completed at least 5 years of study in English in Australia, UK, USA, Canada, New Zealand, South Africa or Republic of Ireland.
- In the 2 years before applying, you completed an Australian Senior Secondary Certificate or a substantial component of an AQF Certificate IV or higher course in Australia, in English, while holding a student visa.

British National Overseas (BNO) passport holders may still need an English test score for their visa application.

STUDENT VISA: Upon acceptance, international students must provide evidence of an Australian Student Visa (subclass 500).

STUDY EXPERIENCE

Study, training & support

Practical learning. Clear guidance. Support throughout your study.

Physical requirements

- Constant hand function (fine and gross), lifting waist-to-overhead and carrying up to 2 kg.
- Frequent standing, forward reaching, overhead reaching and static neck postures.
- Frequent lifting from floor to overhead and carrying 2 kg to 15 kg.
- Frequent pushing and pulling.

Discuss your capabilities and any concerns during the course entry interview.

Delivery arrangements

Build on your Certificate III skills through classroom learning and practical automotive body repair activities, with a focus on technical skills, leadership and supervision. OCT provides an individual training and assessment plan outlining your timetable.

TOOLKIT & UNIFORM

OCT provides an apprentice toolkit. Bring your toolkit to practical classes and wear your issued uniform for workshop activities.

PRACTICAL CLASSES

OCT provides printed learning materials.
Bring your own PPE and safety boots to every class.

01 Student Support System

Student support is available throughout your study. Refer to the Student Handbook for available services.

02 Assessment System

Units are assessed individually through written assessment, verbal questioning and practical demonstrations observed by the assessor, covering body repair procedures, repair quality and workplace leadership.

03 RPL + Credit Transfer

Prior learning and credit transfer may reduce course duration. All students may apply for RPL. Refer to the RPL and CT policy in the Student Handbook or website.

04 Assessment Appeals

Appeal assessment decisions through the Complaints and Appeals Policy in the Student Handbook or website. Complaints and appeals follow the published procedure.
